MEMORANDUM FOR: Director of Personnel

Fred:

On Saturday, 8 June 1974, I had an informal discussion with General Walters concerning [redacted] in the course of that conversation the magnificent contribution of [redacted] through the years in handling matters such as [redacted] as well as many others, came to the fore. General Walters observed that it appeared to him that Ben should now receive an award recognizing such contributions. I suggested that the IMM appeared to be the appropriate level, and he agreed. Would you, therefore, be good enough to undertake the necessary writeup leading to the award of an IMM to Ben. Needless to say, you will have a little problem keeping such activity from his attention. Lotsa luck!
